

MG CONNECT FAQs

Who can receive access to MG Connect?

Access to MG Connect is available only to institutional investors that are screened and approved by Monument Group.

How do I receive access to MG Connect?

Please visit monumentgroup.com/mg-connect and click “Access MG Connect.” From the MG Connect login screen, click “Request Access.” Please complete the requested information and a representative from Monument Group will be in touch shortly.

Why should I log in to MG Connect?

After you have been authorized by Monument Group, through MG Connect, LPs can conveniently view summary-level information on Monument Group’s current primary offerings. Many of our clients’ data rooms are also available through MG Connect. For additional information, or to request data room access, please click “Learn More” on the Summary screen of any of our investment opportunities. LPs can also find information on Monument Group’s primary and secondary capabilities and latest news on the portal.

Can I share my login credentials with a colleague?

Please do not share your MG Connect login information. We would be happy to grant access to your colleagues; please have them follow the prompts above or send an email to MGConnect@monumentgroup.com.

How do I reset my password?

From the MG Connect login screen (monumentgroup.atominvest.co), please click “Forgot Password” and follow the prompts.

Can I download information from MG Connect?

Yes, you can download the summary-level information for most offerings by following the link at the top of the Summary screen that says “To download a PDF, please click here.” You can also download much of the information found in data rooms, subject to the GP’s discretion. If you are looking for any additional information, click “Learn More” to let us know.

Will you let me know when new information is posted to MG Connect?

Yes, we will send periodic updates on new fund offerings and other information available through MG Connect.

Can I indicate interest or subscribe to a fund through MG Connect?

MG Connect is for informational purposes only. To indicate interest or begin the subscription process, please click “Learn More” and a representative from Monument Group will be in touch shortly.

MG CONNECT FAQs

Where can I find your data rooms?

If you have been granted access to a particular data room, you will find an investment opportunity on the portal following this format: “[Name of Fund] Data Room.” Upon clicking in, you will see a menu on the left that includes “Dataroom.” If you would like access to a particular data room, please click “Learn More” within the investment opportunity or reach out to MGConnect@monumentgroup.com. Please note that not all client data rooms are hosted in MG Connect.

Are all of Monument Group’s current offerings posted on MG Connect?

No, certain funds may not be made available on MG Connect for a variety of reasons, and you may not be able to view certain information due to securities regulatory restrictions. Secondary opportunities are also not currently made available through MG Connect. Please contact MGConnect@monumentgroup.com for information on all of our current primary and secondary offerings.

Can I still reach out to my typical Monument Group contact directly, or should I only interact through MG Connect?

Please continue to reach out directly! MG Connect is not meant to replace or otherwise affect your relationship with your typical Monument Group contacts, it was designed to supplement those relationships with convenient, real-time access to information on our current offerings.

What should I do if I have technical issues with MG Connect?

Please reach out to MGConnect@monumentgroup.com.

Is MG Connect compliant with U.S. private placement rules, AIFMD and other global marketing regulations?

MG Connect is designed to meet applicable global regulatory requirements, and Monument Group consults with, and receives the consent of, each of its clients prior to posting any manager or fund-related information on MG Connect. In addition, information on our offerings is not made publicly available; rather, access to MG Connect is only available to pre-screened, pre-approved institutional investors. For investors located within the European Union or other jurisdictions where certain marketing may be restricted or registration may be required, LPs are only able to see certain information that Monument Group and its clients agree would comply with those local regulations – e.g., strategy-only level information.

How will Monument Group protect my account information?

Monument Group will not have access to your password. Other account information will be stored in accordance with our privacy policy: monumentgroup.com/privacy-policy.
